

## ACRYLIC CLASS - Supply List

**Preferred Brands of paint are Americana & Ceramcoat. Quality tube acrylics are acceptable but may not function the same. These are generic & basic colors you might want to have on hand.**

White (2)	indian yellow	yellow	Warm & cool, bright & dull, dark & light greens
ivory	yellow ochre	orange	Warm & cool, bright & dull, dark & light blues
light gray	raw sienna	red	Beige & med browns
medium gray	bt. umber	crimson	
charcoal	flesh tone	magenta	
black	gold	several purples	Some colors will be available in class

### Basic brushes

1 to 2" large flat wash brush

¾" chisel edge flat brush (higher quality medium flexible synthetic for floating color bristles are usually golden brown with black tips)

½" #8 = ¼" flat chisel edge brushes (higher quality – will last longer and perform much better.)

#1 round and 10/0 liner.

### Optional brushes:

foam or cheaper ¾ to 1" flat brushes for basecoating

1/2" or 3/8" rake (flat brush with staggered & layered bristles Like a shag hair cut for feathers, fur, hair & grass.)

Medium stiff, medium size fan brush. Used for foliage, pine trees, grass etc.

Plastic-bristle stipple brush or older ruined brush for pouncing in several sizes.

### Suggested Supplies:

Blue Pallet Keeper with sponge by Mastersons; size 12 x 16"

Or make your own temporary wet pallet with a recycled Styrofoam, thin piece of chamois or foam.

Stay-Wet-Pallet-Paper pkg 30 pieces 12 x 16

Sharpie Permanent Marking Pen extra fine line

Graphite Paper light & dark - not the waxy or carbon type

Tracing Paper or office transparencies

Small Sea Sponge

Double ended Stylus – or ball point pen

Kneaded Eraser

Blue Painters Tape 3/4" wide (safe Release)

Brush cleaner or "Simple Green House & Siding Pressure washer Cleaner (removes paint fast & doesn't damage the brushes like alcohol does. Available at paint stores)

Small reusable fine sanding disc or pieces of typical grocery brown paper bag.

Bar Ivory Soap in a box or baggie

Pencil, ink pen, white charcoal pencil

4" Roller handle & roller cover

Surfaces: watercolor paper, tempered hardboard, canvas, wood & fabric

Graph Ruler A See-thru ruler with grid lines going both ways is best and is necessary for projects with straight lines.

Safety compass                      toothbrush

Quality Paper towels like bounty or viva

2 shallow water containers – cut off water bottles

Brush holder; container with rolled cardboard works

1 qt. white quality latex interior water base paint or white gesso as primer coats (Paint is the preferred)

### OTHER SUPPLIES: (OPTIONAL)

Polyurethane Water base Varnish (non-yellowing-only for surfaces to be used heavily to keep the painting clean and prevent scratching.

All Purpose Sealer is needed only if painting on porous woods & papers. Tanning Blocking Sealer for extra tight seal on Knots & sap is highly recommended.

Folder or 3-Ring Binder for all your class resources, ideas, patterns, & instructions etc.
